Issue 9

We are called by God to be a caring partner, serving our neighbors by sharing the Good News of Jesus Christ through worship, fellowship, compassion and opportunities for growth

From the Pastor

I want to share with you some of my thoughts and impressions of Christ the King Lutheran Church as the Interim Minister among

you.

From the first time I set foot into this place, I found a welcoming and caring group of individuals who are invested and truly care for one another and their church. This was at my initial interview with members of the council. This has only grown in the 2 ½ months I have been here!

I truly feel embraced and welcome among all of you. I also see this in how you care for one another. There is not a feeling of 'let the pastor do it', but there is a feeling that many are involved and interested in what happens in this place of worship and fellowship.

Day Camp was impressive! There was truly a sense of welcome to the participants. I know this first hand because one of my grandsons was here and loved every minute of it. Everything moved so smoothly and naturally. There was love and concern for each of the individuals in attendance. The voices and enthusiasm of the children provided great excitement. All were welcomed and cherished. The energy and dedication of staff from Rainbow Trails was a great blessing!

My background and advanced training is Pastoral Care. I see this form of ministry in those who gather regularly in this place. I see genuine care for those who are hospitalized or shut-ins as well as loving and caring for each and every one.

One of the challenges I see is the absence of children and teens in worship. I see this not as a criticism, but a work in progress. This may well be a part of the growth-vision of the future.

I thank you for your warmth and loving Christian ways. You are a blessing from God.

From the Ministry and Growth Coordinator

Expect, Engage, Enjoy. These three words are in a place on my desk where I can see them everyday. It is a reminder to me of my call here. I **expect** (and you expect) our worship and ministry to grow with faithful concentration on inviting people to join us. By creating programs that meet the needs of the community. By publicizing our ministry so people will know we are here and there is a place for them to belong. I am actively and daily **engaging** people that I meet in the community beyond our doors to come and join us in worship, ministry and community. Everyday I **enjoy** what I do. OK, truth telling I enjoy what I do but I get frustrated when I don't see immediate results. Frustration just makes me pray more, listen to God, focus on our mission and work harder.

A well experienced church developer said that it takes 100 invitations for one person to visit a church. With that I begin to imagine "what if". What if- I could clone myself into 87 faithful people who love this church? What if -these 87 people invited 100 people in the next month? What if- one person showed up for every 100 invitations by these 87 faithful people? Well, we would double our worship attendance. WOW!

At our July council meeting we had a good discussion about our church and our life together. There was some passion and push to move this congregation forward and not to do things the same way we have always done. In the middle of that discussion I declared "**This is the year for 110% participation!**" If we are to invite people into this congregation and into God's mission we need to show that we too are actively participating in the life of this congregation. I challenge you and I encourage you to get involved this year in something beyond worship. I said 110% because that means we are not looking to the same people every time but we are also inviting new people into our life together. Growth and new life begin with us. Look for

opportunities to get connected and active again in the life and future of Christ the King. It all starts up on Rally Day September 11, 2011.

With you in Growth and Ministry.

The Memorial Garden – Chapter I

By Pat Sandstedt

To Be or Not to Be!

To finish the courtyard project we wanted to have a Meditation/Memorial Garden in the space behind the Fellowship Hall. Our landscape architect, Jocelyn

Chilvers came up with a very innovative plan (her bill was \$131.25). The sidewalk would wind in from the courtyard in a half circle with an oak tree and a fountain in the center and be enclosed with a circular brick wall meeting the house.

In 1992, Council granted us permission to raise money for the Memorial Garden. Hal Peterson brought up the idea of a columbarium in the space. A columbarium is where the ashes of members are placed in a container in the ground with a marker either in the ground or on the wall. Again, there was controversy about doing this in the space. Our committee then conducted a survey of the congregation. For those who returned the questionnaire, the results were

positive (65 were positive, 23 said they already had burial plans, but would not oppose the plan, and 8 were very negative). We proceeded to visit churches, both Lutheran and other denominations, which already had a columbarium. We were amazed at how many there are in the city. They are usually very open, but subtle in that you wouldn't realize they were there from the street. More on what happened to that plan in the next chapter.

In 1993-94, we began the expansion. The English oak tree in the center was given in memory of Audrey Hawley. The three benches with backs were given by the Olson family in memory of Ordell Olson, by Jack and Jill Gardner in memory of Jean Gardner, and by Dr. and Mrs. Robert Beeler. Bob Wolf had the benches made for us in Winter Park.

The fountain, which was deliberately designed to bubble, but not be dangerous to children, was given by the Watt family in memory of Diane Tucker, Harry Watt, Karen Watt and Mabel Watt. Landscaping funds were given by many generous members. Many members requested memorial funds donated in memory of loved ones be used at their request for the project which helped us tremendously.

We decided to have the garden flowers all in white as a symbol of faith, memorial and

resurrection. Since that decision, Mother Nature has had her own ideas and sometimes we have some other colors pop up; and we don't argue with Mother Nature! What was left to complete was the biggest expense – The Brick Wall. And we were out of money!

Next month: The Memorial Garden Chapter II - "Triumph and Tragedy"

Our food item for September is **canned soup** (preferably tomato, vegetable or chicken noodle). Remember, this is only a suggestion. They welcome any food or personal hygiene item. Please place your items in the shopping cart outside of Fellowship Hall. During June, CTK donated 113 lbs. of food (dried beans) valued at \$221.48; and during July, we donated 217 lbs. (ramen noodles) valued at \$452.22. If you have any extra garden items, bring them to the church office and they will be delivered to Community Ministry.

Byers Place/Catholic Charities Food Bank, near I-25 and Alameda, closed on August 31. This has had a huge impact on Community Ministry's client load. Byers Place was a primary referral source for families needing food when they had had their maximum number of visits to CM. They were also the only food bank near CM that was open every day. Since the announcement of this closing, CM has seen 10-15 new families a day. This is having a great impact on their food supplies, so your extra help is needed now more than ever. When you are shopping for your family, consider picking up a few extra items to help out.

Community Ministry recently received a huge grant from the Denver Foundation for a new food warehouse. Through suggestions from the public, this warehouse has been named Food Exchange Resource Network (FERN). Their hope with FERN, in these challenging times, is to increase each food bank's individual food inventory by collaborating with their network of donations and sharing freezer, refrigeration and warehouse space. The most challenging thing now is finding bids for a refrigeration and freezer panel system using panels to construct each unit. The bids coming in so far are \$5,000 to \$10,000 more than what was budgeted for. Now they are asking their supporters and friends for a contact or referral to

a company that sells new or used units. They also need referrals for forklifts and pallet jacks. If you have any referrals, please contact Joyce at CM at 303-935-3428.

Don't forget the monthly pizza fundraiser at CiCi's Pizza in the Bear Valley Shopping Center. A portion of the proceeds from meals sold on the first Tuesday of the month benefit Community Ministry. Just place your receipt in the marked container at the cash register. Each month, Community Ministry receives from \$40-\$50 from this promotion. The next day is Tuesday, September 6.

Community Ministry needs drivers to pick up food from various locations, including Food Bank of the Rockies and area schools. If you have a truck, SUV or van, they need you. Call them at 303-935-3428.

Please continue to bring the unclipped coupon inserts from the Sunday newspaper. We are one of their best donators. Keep it up! The collection basket is above the coat rack outside of Fellowship Hall. The coupon clippers service a company who gives Community Ministry 5% of the value of the coupon. This is a free and easy way we can all help. In 2010, they raised over \$7,000.

Also as you travel, collect any toiletries from hotels. They can use toothbrushes, toothpaste, bar soap, shampoo and toilet paper to help them make up small hygiene kits.

New Underwear and Socks Needed

School has started and along with new pencils, children need new socks and underwear. Community Ministry has gone through hundreds of pairs of socks and underwear since the start of school.

So, again during September, we will collect boys and girls socks and underwear. They are desperately needed in all children's sizes. Donations may be left in the collection box outside of Fellowship Hall.

Mark your calendar and let's go together.

Choir Members Welcome!

Kyrie Choir Resumes Rehearsals - Welcomes New Members

After a summer vacation, the Kyrie Choir will gather for a burger and brats picnic fellowship and a little rehearsing at the home of Helen Holmes on Wednesday, September 7th, at 6:00 p.m. Anyone interested in singing with the choir is invited to join the choir at this time. (Spouses are welcome, too, for the picnic.) Check your mailbox if you are already a member or ask Choir Director Carole Hedrick (303.984.9381 home or 303.383.2705 office) for more information about the picnic.

The Kyrie Choir will rehearse each Wednesday from 7:00 to 8:30 in the Choir Room and will sing most Sunday mornings. The Choir usually takes one Sunday off each month. In addition to regular Sunday services, the Choir participates in seasonal holiday services when special music is sung.

Ask any choir member and (s)he will tell you that we take our commitment seriously to help guide the congregation in song and to offer anthems of praise. We sing all styles of music of various degrees of difficulty. We also are a fun and caring group within the Christ the King family that supports and encourages each individual member in times of joy and sorrow.

Thanks to the Summer Musicians

Special music was shared during the summer Sunday offering time by many talented individuals: Jamie and Walter Beekman, Bill Gibson, Mary Giles, Elizabeth Hedrick, Marianne Law, Daisy Masoner and Ruth Nickoley sang or performed as instrumental soloists; Dick Brundige helped with the July 24 "Camp Sunday" music team, which included many of those previously mentioned. All helped fill the worship with beautiful music. Thank you!

Daniel says Thank You

Dear Members of Christ the King,
Thank you so much for the scholarship money; both years, I was able to completely pay for all my books. This year, however, I did not need to use it all on books and was able to put some toward tuition itself. This money is such a great help to me and I am very thankful that I was considered for this scholarship this year and last.

Thanks again,
Daniel Eaton
